What will I learn on this course?

This course will develop and increase your existing English skills by helping you to improve your verbal and written communication skills and enable you to become more confident in reading for everyday purposes. By the end of the course, I will be able to:

- More confidently join in conversations and group discussions.

- Recognise and record the letters of the alphabet in upper and lower case.
- Use capital letters and full stops in short sentences.
- Expand on my reading ability.
- Recognise an increasing number of common everyday words.
- Form simple words.

Some learners will be able to:
