What will I learn on this course?

Curious about Artificial Intelligence (AI)?

Join our relaxed and supportive 10-week course designed for learners who want to build confidence using technology. Discover how Artificial Intelligence (AI) can support reading, writing, finding information, creating images and completing everyday tasks. Learn at your own pace in a friendly environment, with plenty of practical activities and support throughout.

You will learn how to:

- Use AI safely
- Ask AI questions
- Get help with reading and spelling
- Create AI pictures
- Use AI in everyday life
- Build confidence using digital technology

Additional information

This is a course for learners who have learning disabilities or learning difficulties, such as, sensory, physical, cognitive impairments or neuro-divergent conditions, who will require additional support to participate in the course activities. There will be a Learning Support Assistant present throughout the duration of this course.

Spaces on this course may be limited if learners require their own personal support assistant to attend the class with them. This is due to room-size restrictions and in accordance with health and safety regulations.

Before you enrol, advice and information is available to help you decide on the right course for you. Contact 0161 253 5772 or email at buryadultadmin@bury.gov.uk
