What will I learn on this course?

This course will equip you with the essential skills to start your coding journey. You'll learn to use different programming software, understand the rules of coding and master basic functions. By the end, you will be able to write your own code using key building blocks like variables, logic, and loops. You will also explore how to make your code better and use tools to find and fix errors.

By the end of the course, you will be able to:

- Use coding software.
- Recognise the importance of syntax of a text-based programming language.
- Create code using a text-based programming language.
- Recognise opportunities to improve code.
- Use debugging tools to identify and debug code.

This course is for those learners who are enrolling on Programming: Taking the Next Step (Level 2)

Pathways for Further Development

Upon completion, you can further enhance your programming skills by pursuing advanced courses at college and university. The experience and confidence gained from this course will also prepare you for specialised coding bootcamps, where you can develop specific skills tailored to industry needs.

By embarking on this educational journey, you are taking the first step towards a rewarding career in the dynamic world of technology and coding.

Additional information

These courses aim to help people improve their wellbeing and gain the confidence to move into further learning and work, if appropriate. Courses offer a great starting point to develop new skills, gain confidence, improve general wellbeing or adapt to life changes.

Some courses may require a pre-course informal meeting.

Before you enrol on a course, advice and information is available to help you decide on the right course for you. Contact Learner Services on 0161 253 7501 or e-mail at learner.services@bury.gov.uk.

What will I need to provide myself?

- Pen
- Notepad
- Folder

Your tutor will discuss materials further at the first class.

Please check that the class is running before buying anything.

What could I do next?

- **Introduction to Cybersecurity Level 1**

From this course you could progress onto English, maths, IT or another course within our Work & Wellbeing programme to develop further your skills for work. Alternatively, if you wish to pursue a hobby or develop a new skill you could progress onto one of our creative courses.

Your tutor will be able to advise on the options available to you in their subject. If you would like to speak to someone about moving on, please ask your tutor to refer you to Learner Services or contact them directly on 0161 253 7501 or e-mail at learner.services@bury.gov.uk.

Can I get extra help?

Support with English and Maths is available. For more information, please contact Learner Services on 0161 253 7501.

Extra support is available for those learners who have sensory, physical or cognitive impairments, neuro-divergent or with mental health conditions.
