What will I learn on this course?

For many people art provides an opportunity to relax, which frees their creativity. During this course we look at an eclectic range of art movements and techniques from sketching to painting in acrylics. The class is fun and informative, there are no assessments or exams. Bring yourself along to a fun evening, learn new techniques and create inspirational pieces that you can share with the rest of the group. Join us for a relaxing evening and explore different art techniques using them to produce pieces of art you will be proud of.

By the end of the course, I will be able to:

- Demonstrate an increase in motivation and creativity
- Identify the work of a range of artists
- Produce a finished piece of art
- Develop an awareness of employment opportunities within the creative industries
