What will I learn on this course?

Enjoy this creative course baking a variety of dishes you can enjoy with your family and friends. We will begin by baking a small seasonal cake that can be created for a special occasion. Over 5 weeks your tutor will demonstrate how to create decorations suitable for the particular celebration you chose. The cake will be completed by the end of the course for you to take home. Each week you will also learn how to create a variety of bakes and make your celebration cake decorations using fondant icing and colours. Come and experience how participating in a creative activity with others can be fun and help you relax. Also learn about the many opportunities for employment or self-employment within the catering sector.

By the end of the course, I will be able to:

- Be more confident in baking and produce a celebration cake
- Create decorations using icing products
- Understand and follow baking recipes to create baked products
- Increase my knowledge of employment or self-employment opportunities within the catering industry

Please wear suitable clothing and shoes (no flipflops). If you have long hair, please wear it tied up.
